# You know your horse Crazy when...

—If you won a snazzy new sports car in the lottery and you'd immediately trade it in for a pickup with a towing package.

—Your paycheck barely covers your food bill, but all your horses eat premium foods.

—All the other girls were designing their dream home, you were designing your dream barn

—You spend far more on your riding clothes than on the rest of your wardrobe.

—You call the vet when a horse just looks cross-eyed, but you have to be on your death bed before you go to the doctor.

—Your barn is cleaner than your house.

—You are better at braiding your horse's tail than your own hair.

—You've stopped at more stables to look at horses than museums while on vacation.

—You cringe at paying five bucks for lunch but don't blink an eye on dropping thirty or forty on a riding lesson.

—You can't eat an apple or a carrot without feeling guilty about not sharing it with your horse.

—Your significant other says "Its me or the horses," and you have to hesitate....

—You pay more to board your horses at a show than you do for your own hotel room!

**Plan on using your lush green lawn for grazing this winter?**

**I was wondering if you could recommend a commercial fertilizer for that includes an agent for weed and crabgrass control that would be safe for horses. This would be for my home lawn. Although our horse lives on a nearby farm, he is brought to the house on occasion to graze.**

No fertilizers or weed control products that are labeled for lawn use should be used on grasses that are used for grazing. They are not labeled for pasture use and it is illegal to use these products on pastures or lawns that are used for grazing.

Lawn fertilizers are frequently time-released products. The nitrogen is often encapsulated to allow a slow release of fertilizer. Slow release nitrogen fertilizers can remain in the soil for many weeks. Nitrogen is toxic and horses should not graze in areas that have received fertilizers marketed for lawns.

Lawn weed control products also cannot be used on grasses that are being grazed either. The products have not been subjected to the rigorous testing that is required when the products are used for pastures.

If you truly need to graze your lawn, then you should manage it as a pasture and only use agricultural fertilizers and herbicides that are labeled for pasture use.

## It is Universal!

Is it the love of horses by a teenage girl or the perpetual pride of a grandfather to which so many of us can relate? Whether it is in COLD Colorado or heat stroke Florida it is the same. One can not tell who is prouder, the child that accomplished something or a loved one that was there to witness it.

Lina Rose Betts has had submissions to Horse Tales published in the past. She is the one on your left.

**Great Job Lina! I am proud of you!**

Melody

*In an email from my Uncle, dated December 10th 2006...*

There is an organization here in El Paso County(Colorado) called the Pikes Peak Rangerettes. They are a group of teenage girls who perform in rodeos and parades

They do precision maneuvers with horses. It could be called a horse mounted drill team. Well anyway one of the newest members is my youngest granddaughter.

These are pictures of her 2nd parade which was Saturday. In the first parade they were not mounted. This was written for those addresses that do not know Lina Rose Betts.

Man-O-War

# A Tribute to Man O' War

By Elizabeth Halperin  
age 7

Man-o-war beat fifty great race horses and  
be came a triple crown winner. The  
stable boys called him big red because  
at sunset his coat changed red. More than  
fifty million fans came to his funeral.

By Elizabeth Halperin  
age 7-artful

Dear Santa letters are awesome  
any time of the year. Send in yours!

Dear Santa,

I don't want much for Christmas, don't spend a lot on me,  
I know that money's tight right now, with this economy.  
The only thing I really want, is a pony, horse, or cob,  
A bay or brown or black one, any color'd do the job.

Not off the track for from a barn with sleek and fancy stuff,  
I'd settle for a plain old hack that looks a little rough.  
But please make sure he'll foxhunt, and jump the very best,  
So when the field is on the run, he'll keep up with the rest.

And if you please, one that can show, just locally of course,  
Perhaps a little Medal/Maclar or Equitation horse.  
Of course I wouldn't really mind if I found that you had sent,  
A horse to hunt and show and hack, and perhaps three-day-event.

And then I'll need a saddle of English, French or German frame,  
With a matching bridle and brass plate on which to put his name.  
I'll need a pair of clippers too, to trim him front and back,  
So he won't catch a cold, or be mistaken for a Yak.

And then I'll need a blanket, a cooler, rug, and sheet,  
So he will have some clothes to wear in winter or in heat.  
If you could, in my stocking, put hoof dressing and a pick,  
Some worm and colic medicine, incase he might get sick.

A brush, a comb, a curry, some shampoo for mane and tail,  
A lead shank and a halter, a feed tub and a pail.  
And also in the box please stuff a ton of straw and hay,  
And perhaps stuff in 100lbs of oats along the way.

And do you think, jolly Saint Nick, that with a little luck,  
You could fit in a two-horse trailer and a matching pick-up truck?  
Oh, one more thing, dear Santa Claus, but only if you're able,  
Could you also bring along with this, ten acres and a stable?

Laura Hause, Naples, FL.  
written at age 10.

Dear Santa I was good so I want  
these toys to Elizabeth.  
toy truck and trailer and a brexet  
norse and that big butterskotch  
toy horse and new bridle and a toy  
horse barn and toy horse fence

Elizabeth Halperin's List

Dear Santa I was good so  
I want these toys to  
a horse trailer and truck and toy pony  
and roller skates and skate board  
and a toy fish and jack and dog  
and norse and holidays kit  
and toy frog and pen and pencil  
and a big piece of wood and a new  
English saddle and toy dog.

PJ Halperin's List

## Horseback Safaris

**Horseback Safaris** - Standard one-hour, two-hour, or three-hour horseback safaris are available daily. Horseback Safaris can be arranged for riders with varying levels of experience. All guests should be at least 12 years of age; 10 years of age is an acceptable age with proven riding experience. Guests weighing more than 275 pounds will need to be assessed by our Equestrian Director before they are allowed to take a Horseback Safari. Call-in reservations are recommended in order to assure that we and our horses are ready for you.

A favorite with visitors is our two-night "Crescent J Cattle Drive Weekend Safari," which includes some training in Florida Cowhunter skills of ridin', ropin' and cow cuttin'. (Florida cattlemen weren't "cowboys" because hunting those wild Spanish-descent cattle in Florida's woods and swamps was a man's job, they said.) Choice of campground depends on weather, type of group and recommendation of the riding instructors.

Another favorite is similar, but shorter – an Overnight Trail Ride Safari combined with a next-day "Rawhide Roundup." More time is spent riding the wilderness trails of Forever Florida and learning about nature, less on cowpoke skills.

Corporate Co-workers, Schoolteachers, Professional Club, Flying Clubs, School Groups, Church Groups, Families, Friends, Scout troops or multi-troop Camporees – there are activities and a campground on Forever Florida or the Crescent J Ranch that are just right for a bonding experience. See the Facilities and Events page for more details.

From a small primitive one-troop Scout Camp on the Crescent J that has been used by Girl and Boy Scouts for more than 30 years, we expanded to a remote but up-scale campground 'way back in the wilderness of Forever Florida, then added two campgrounds in between and most recently, a large area "up front" (near the highway) that comfortably holds up to twenty Scout troops for a big Camporee.

Variations on these basic campouts and safaris can be worked out with our staff.

### Classified or Business ad?

Classified ads are for selling a tangible item. 2 photos of the same item can go in a LARGE classified ad. Two or more items can be listed in the same classified ad if it is text only (no photo) or if they are closely related and being sold together. (a pair of mules or horse w/ cart) Classified ads can not list business information. A web address may be listed in a classified ad ONLY IF more information about the item for sale is listed on the web site.

Business ads are for services, such as boarding, farrier or stud, and/or any ad that contains a business name or information.
