over 200
locations in
Florida.

Everything Equine's FAQ's.

1. How many issues are distributed each month?

10,000 copies are currently printed and distributed to over 200 locations, but as demand increases, so does the number of copies printed.

2. Can I have more than one photo in a classified ad?

Yes, 2 photos of the same item can go in a LARGE ad.

3. Can more than one item be sold in a classified ad?

Yes, if it is just text (no photo) or if they are closely related and being sold together. (a pair of mules or horse w/ cart)

4. What is the difference between a classified and business ad?

Classified ads are to sell a single item. They may not list any business information including business names and web addresses. Services, such as stud or farrier, fall into the business category.

5. I wrote an article, can it be published?

Yes, factual articles intended to educate the reader may be published, space permitting, free of charge as long as they do not promote a business. Please cite your sources when submitting an article for publication. Everything Equine reserves the right to edit submissions. If your article promotes a business, then it qualifies as advertisement and business rates would apply.

6. I would like to share something that happened to me. Is there a place for that?

Yes, Horse Tales is a place to share your experiences, poems, drawings and whatever else you would like to share. A good rule of thumb for a proper submission for Horse Tales is to keep it in 1st person. Write using, I, me, we, not he, she or they.

7. What are your office hours?

Office hours? What are those? I have a home office, so my office hours are whenever I am near the phone and/or computer. I am in and out during the day, so if you do not get an answer on the phone, please leave a message. Also, do not be surprised if I pick up the phone on a Sunday afternoon. It is a rare occasion when I am not at the computer late at night, so if you send an email at that time, you probably will get an immediate response.

Scooby is a 9 month old
gorgeous boy! He has the
most beautiful eyes, one blue
and one brown. He is a super
sweet boy that needs a family
that will love and appreciate
him. Scooby is deaf. We hope

that someone out there will
open their heart to this
sweet boy and let him join
their family. What a reward-
ing experience to truly save a
dog that is in need.

Scooby is going to make
some very lucky person an
excellent lifetime companion.
Is that you? An ideal forever

home for Scooby would be a patient family, possibly with deaf
dog experience or a sincere willingness to learn; a compatible
dog to play with Scooby; and an adopter with a genuine
determination and love to care for Scooby. If you can find a
special place in your heart and can give Scooby a safe, life-long
home, please contact us.

To adopt an animal from
us, you must complete an
adoption application and be
approved. The adoption fee
is \$75.00 for dogs. All
animals available for
adoption are spayed/
neutered and up-to-date on
all vaccinations. To
meet Scooby, please call
us at 450-6301 or go to
ccalrescue.org.

Horseback Safaris

Horseback Safaris - Standard one-hour, two-hour, or three-hour horseback safaris are available daily. Horseback Safaris can be arranged for riders with varying levels of experience. All guests should be at least 12 years of age; 10 years of age is an acceptable age with proven riding experience. Guests weighing more than 275 pounds will need to be assessed by our Equestrian Director before they are allowed to take a Horseback Safari. Call-in reservations are recommended in order to assure that we and our horses are ready for you.

A favorite with visitors is our two-night "Crescent J Cattle Drive Weekend Safari," which includes some training in Florida Cowhunter skills of ridin', ropin' and cow cuttin'. (Florida cattlemen weren't "cowboys" because hunting those wild Spanish-descent cattle in Florida's woods and swamps was a man's job, they said.) Choice of campground depends on weather, type of group and recommendation of the riding instructors.

Another favorite is similar, but shorter – an Overnight Trail Ride Safari combined with a next-day "Rawhide Roundup." More time is spent riding the wilderness trails of Forever Florida and learning about nature, less on cowpoke skills.

Corporate Co-workers, Schoolteachers, Professional Club, Flying Clubs, School Groups, Church Groups, Families, Friends, Scout troops or multi-troop Camporees – there are activities and a campground on Forever Florida or the Crescent J Ranch that are just right for a bonding experience. See the Facilities and Events page for more details.

From a small primitive one-troop Scout Camp on the Crescent J that has been used by Girl and Boy Scouts for more than 30 years, we expanded to a remote but up-scale campground way back in the wilderness of Forever Florida, then added two campgrounds in between and most recently, a large area "up front" (near the highway) that comfortably holds up to twenty Scout troops for a big Camporee.

Variations on these basic campouts and safaris can be worked out with our staff.

A Special Thank You

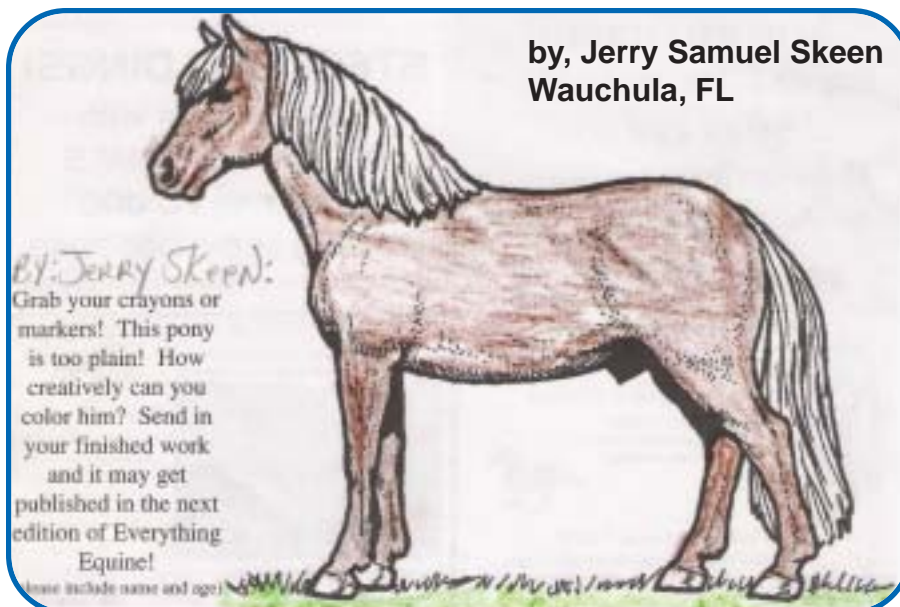

I would like to extend a very special thank you to Claire and Breanne from Cloud9 Ranch in Naples. Especially to Claire who tirelessly spent many hours with a difficult horse.

This was another trailer loading "problem" I had for her. The horse had not been in a trailer since she was a weanling and she is now 16 yrs old.

She belongs to a friend of mine and has spent her whole life at my barn. Her owner really did not take much time to teach her manners or respect for humans. She is a very strong (physically and mentally) animal. She would bulldoze you out of the way when she didn't want to do something and would use her 1000lbs of pure muscle to rip the lead rope out of your hands. The horse's owner moved out of Naples and needed someone to train her and trailer her several hundred miles away. The first person I thought of was Claire Devisse. Her knowledge of natural horsemanship is wonderful and she is truly a caring, patient individual, who wants the best for horses.

After spending two weeks with the horse and getting her where she was relaxed with the idea of getting in a trailer, (Remember, this is a horse who would not even go in it to eat. She would go hungry.) her owner decided she wanted to do things "her own way" and force her in. She told Claire to stop working with the horse as she couldn't afford to spend more money. Everything worked out for the mare in the long run and she got in the trailer. Had it not been for Claire's teaching her that it was OK to be in the trailer and she wasn't in danger, it might have turned out to be a very dangerous situation for horse and owner. Thanks again Claire!!

Have you seen this horse?

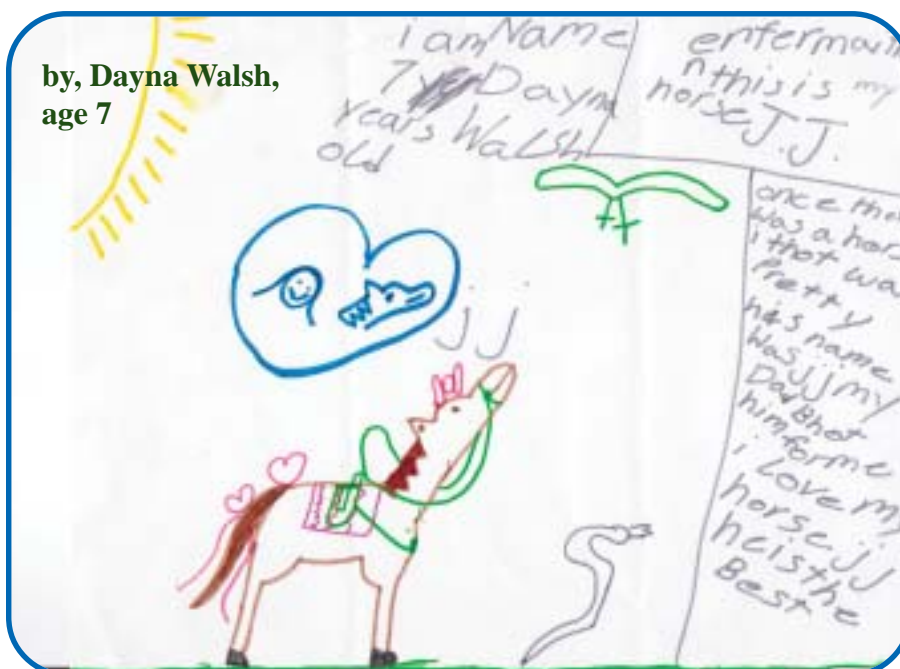

We really need your help. On 9/30/06, a friend of mine's black stallion was stolen out of her pasture in Canton, GA. He is a 17.3 HH Selle Francais stallion. He is 19 years old and 1500lbs. He has no distinguishing marks as he is pure black. However, his muzzle and under his flanks may appear brown due to sun bleaching. He also shivers with his hind legs when you try to pick them up. Attached are two pictures of him. Please pass this information on to as many friends as you can as we are desperate to have him home again.

Anyone who has information about this horse, please notify the Cherokee County Police Department in Canton GA @ 770-844-6777, and ask for Deputy McNeal and refer to the case # 06-92843.

We really appreciate your help and support.

Regards,

Sunny and Jeannine
