Should I feed extra biotin for hooves and the coat?

Do you recommend a biotin supplement for hooves and the coat? If so, in what amounts? Do horses normally make biotin in the body?

Horses' hooves can take a lot of wear and tear and may need something to help maintain a healthy condition. If horses are ridden on a hard or sandy area it can cause trauma to the hoof, making it hard to maintain moisture. Lack of moisture in the hoof leads to brittle and cracked hooves.

Research performed in England shows that supplementing biotin to horses with low quality hooves improves the hooves, making them stronger and less likely to crack. Though many other studies have been performed, most have the same results. The dosage shown to best maintain or improve hoof quality is approximately 15-30 mg/day. It was noted that for the best results, an adequate supply of calcium must also come from the horse's hay or grain. Results of the supplementation were seen within nine to twelve months due to the fact that horses' hooves take about a year to grow from the coronary band to the ground.

Though biotin is naturally made in the gut of the horse, supplementing it in the diet will not hurt because it is water soluble and is not stored in the body. Vitamin B-deficient horses especially need biotin in their diet and should be supplemented. Also, horses that are stressed from being transported or stabled for long periods of time also can benefit from a biotin supplement.

While biotin helps with a horse's hooves, it can also help maintain a healthy coat. The coat is the horse's largest organ. Biotin helps improve coat sheen, which is a sign that the horse itself is in good health. To enhance coat health, a horse may need only 8 mg of biotin per day. Results are usually visible within about five weeks.

Overall biotin is the best supplement to be used on a horse with brittle or cracked hooves or a lackluster coat. Check with your veterinarian to determine an exact dosage schedule.

This answer was prepared with the help of Samantha Schreiber, Animal Science research student, The School of Environmental and Biological Sciences, Rutgers University.

Classified or Business ad?

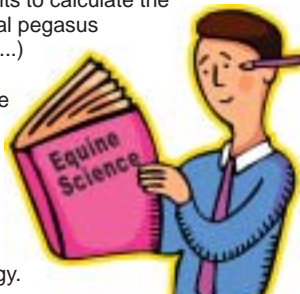

Classified ads are for selling a tangible item. 2 photos of the same item can go in a LARGE or EXTRA LARGE classified ad. Two or more items can be listed in the same classified ad if it is text only (no photo) or if they are closely related and being sold together. (a pair of mules or horse w/ cart) Classified ads can not list business information. A web address may be listed in a classified ad ONLY IF more information about the item for sale is listed on the web site.

Business ads are for services, such as boarding, farrier or stud, and/or any ad that contains a business name or information.

More Signs You're An Equestrian College Student

by Annamaria Tadlock
www.ultimatehorsesite.com

- Your idea of a perfect boyfriend, besides being sweet, smart, and caring, and all that — is one who can fix stalls, muck barns, and enjoys riding on the beach.
- Your instructor doesn't remember your name but calls you "the horse person".
- In American History class, you often ask, "What was the name of his horse?"
- When you write papers for history classes, you always mention the horses and their contributions to society.
- You get excited in an English Literature class when you come across material about horses.
- You've asked the engineering students to calculate the wingspan of a hypothetically functional pegasus (still waiting on the answer to that one...)
- You write a movie review for literature class on Henry V and conclude it by analyzing the horsemanship.
- You can spend an hour discussing horses with an instructor or classmates, but not politics or sociology.

MY WISH FOR A PONY

by Lina Betts, 14

Sitting out in the pasture,

Watching the horses graze,

It was only last year,

When I seemed to be in a haze.

I wanted a pony real bad.

My parents weren't so sure.

I gave it all I had,

And my parent's insecurity became cured.

My friend kept her horses in my barn.

I helped feed and muck out stalls.

My responsibilities began to unravel like a ball
of yarn.

And my parents began to make calls!

A month before my b-day,

I received an amazing quarter-horse.

It was my very own d-day.

Since then my life's been an amazing course.

I improved my riding a bunch.

Now my own horse was in my pasture.

It was now that u had a hunch,

And was glad I made a gesture.

Buckingham Pony Club members compete at USPC Championships

The United States Pony Club national championships were held July 24-26 at the Kentucky Horse Park, in Lexington, Kentucky, followed by their "Festival" which is held every three years and consists of mounted and unmounted educational clinics.

Three members of Buckingham Pony Club were among competitors representing the Sunshine Region at USPC Championships this year:

Kari Means, age 12 from North Fort Myers competed in Quiz Junior D division. Quiz is a five-phase unmounted competition which tests all areas of Pony Club and horsemanship knowledge. It was the single largest competition at Championships with hundreds of competitors! Kari's team placed 5th at Championships.

Kelly Wise, age 13 from North Fort Myers and her Welsh Cob gelding Zoom competed in Tetrathlon Intermediate Division, which includes running, swimming, shooting and show jumping, including negotiating two gates mixed in the course. Kelly scored very well in all phases and her team received a third place award in horse management. She stayed for Festival and participated in the tetrathlon clinics led by several Olympic pentathlon trainers.

Gianna DePalma, age 14 from Fort Myers and her Thoroughbred gelding Fort also competed in Tetrathlon in the Intermediate Division. Gianna also scored very well in all phases of tetrathlon and was one of the few to have a clean jumping round. Gianna stayed for Festival and participated in several mounted clinics including eventing and show jumping.

The following members also qualified to compete but were unable to attend... **Leah Colucci**, age 12 from Fort Myers (Quiz), **James Pledger**, age 11 from Fort Myers and his Welsh mare Tinkerbelle, (Tetrathlon), **Alana Kaible**, age 13 from Fort Myers and her gelding Teak (Tetrathlon), **Amanda Cassese**, age 14 from Bonita Springs and her paint pony mare Mariah (Tetrathlon). **Amber Goldsmith**, age 15 from Fort Myers, attended as a spectator and assisted the USPC communications department with articles and photos for the daily Poop & Scoop newspaper.

Buckingham Pony Club is the local United States Pony Club serving Southwest Florida, especially Lee and Collier counties. Pony Club is one of the leading junior equestrian organizations in the world, represented throughout 30 countries. The USA has over 600 individual clubs spread throughout 48 states and the Virgin Islands, with more than 12,000 members. For more information, visit www.buckinghamponyclub.org or www.ponyclub.org or call Buckingham Pony Club District Commissioner Kerri Goldsmith at 239-694-1418.

Amber Goldsmith, Kari Means, Kelly Wise and Gianna DePalma from Buckingham Pony Club at the USPC Championships Opening Ceremonies.

Gianna DePalma and her horse Fort negotiate the swing gate obstacle during the riding phase of tetrathlon competition.

Kelly Wise and her horse Zoom handle the combination jump easily during the riding phase of the USPC tetrathlon competition.

Horse tales is an area where original, unpublished works by local writers and artists will be featured. If you have a short story, poem, work of art or anything that you've created and are interested in seeing in print, please submit to Everything Equine. Everything Equine and local businesses provide this opportunity for children and adults alike to show their creative abilities and talents to the entire community. Please limit your submissions to horse related tales that coincide with an equestrian or farm oriented way of life.

Horseback Safaris

Horseback Safaris - Standard one-hour, two-hour, or three-hour horseback safaris are available daily. Horseback Safaris can be arranged for riders with varying levels of experience. All guests should be at least 12 years of age; 10 years of age is an acceptable age with proven riding experience. Guests weighing more than 275 pounds will need to be assessed by our Equestrian Director before they are allowed to take a Horseback Safari. Call-in reservations are recommended in order to assure that we and our horses are ready for you.

A favorite with visitors is our two-night "Crescent J Cattle Drive Weekend Safari," which includes some training in Florida Cowhunter skills of ridin', ropin' and cow cuttin'. (Florida cattlemen weren't "cowboys" because hunting those wild Spanish-descent cattle in Florida's woods and swamps was a man's job, they said.) Choice of campground depends on weather, type of group and recommendation of the riding instructors.

Another favorite is similar, but shorter – an Overnight Trail Ride Safari combined with a next-day "Rawhide Roundup." More time is spent riding the wilderness trails of Forever Florida and learning about nature, less on cowpoke skills.

Corporate Co-workers, Schoolteachers, Professional Club, Flying Clubs, School Groups, Church Groups, Families, Friends, Scout troops or multi-troop Camporees – there are activities and a campground on Forever Florida or the Crescent J Ranch that are just right for a bonding experience. See the Facilities and Events page for more details.

From a small primitive one-troop Scout Camp on the Crescent J that has been used by Girl and Boy Scouts for more than 30 years, we expanded to a remote but up-scale campground 'way back in the wilderness of Forever Florida, then added two campgrounds in between and most recently, a large area "up front" (near the highway) that comfortably holds up to twenty Scout troops for a big Camporee.

Variations on these basic campouts and safaris can be worked out with our staff.
